Event Results Rounds 15 & 16

Roswell, NM November 7 & 8, 2009

The New Mexico Trials Association made its annual trek to Roswell. As usual, a few Albuquerque riders skipped the trip, but the southern contingency helped make up for it. The weather was in full cooperation, making for perfect riding conditions. The days are too short, but it is always a great time of year to be there, as the incessant winds of the spring are not blowing.

Special thanks to our Trialsmasters, as Roswell takes a bigger commitment to set than most other venues: Mike Salazar, Steve Clark, Dennis Satterfield, and Ron Shoemaker. Big Al offered his usual help—tremendous.

Several riders appear to have locked their positions for the year—see the Championship Standings on pages 4-5. Trevor Clancy clinched the Champ Class for 2009; Rob O’Niell closed the deal in Expert—a first for both of them. James Fastle and Clay Pryor earned titles in Semi-Expert and Sportsman, respectively.

Kyle Goon already had clinched Intermediate. So he decided to debut

his Sportsman ride with two wins! Jim Elsen, Konrad Clark, and Scott Markham have locked the top sport in Amateur, Novice, and Beginner. Let the Silly Season begin, as these riders figure out a home for next year. Should they move up one or two classes—or in Kyle Goon’s case, possibly go all the way to Champ.

Tony Herald encouraged trials bicycle owners to bring their bikes to Roswell, and many did. They had an informal bicycle trial competition, with two divisions. Tony has hopes to make this a regular occurrence at NMTA events. Great idea, Tony.

If you have a bicycle gathering dust, brush it off, tune it up, and bring it to San Ysidro in December. Consider purchasing some protective gear if you don’t have any—just ask Tony about the hazards, such as pedals contacting shin bones. Oh yeah, don’t forget to bring your motorcycle, too!

2009 Awards Banquet

The Courtyard by Marriott
January 23, 2010

The Awards Banquet for the 2009 season will be Saturday, January 23, 2010, at The Courtyard at the Marriott. The menu is as follows;

Smokehouse Barbecue Table

BB St. Louis Style Ribs

Fire-Grilled Chicken Breast

Sliced Beef Brisket

Country-Style Baked Beans

Corn on the Cob

Rolls with Creamery Butter

Coleslaw, Potato Salad

Sliced Watermelon

New York Style Cheesecake

Layered Carrot Cake

Last year's prepay method worked well, making it enjoyable for everyone. Paying ahead of the event helps gauge attendance, which means no shortage of food (Jan. 2008). It also means no long lines as you file in, because you prepaid your meal. Further, you already filled out your 2010 NMTA membership application and brought it to San Ysidro in December or mailed it to Paul (and you remembered to attach your \$15 check, address on newsletter p1). Perhaps best yet—**you saved money!** You get a reduced cost for the banquet by bringing your payment to San Ysidro, or sending it to Tim Dugan by December 31 (that means received by him). Tim's address is: Tim Dugan, 212 Aldaba Cir., Rio Rancho, NM 87144

Banquet costs are as follows:

Over Age 12

\$18 in advance

\$25 at the door

Age 5-12

\$9 in advance

\$12 at the door

Children under the age of 5 are free

One final note about preparing for 2010: On November 16 I sent the AMA 2010 releases to the yahoo discussion group. Please note that there are two versions, an adult and a minor. AMA stipulates they must be printed in color, and of course notarized. These are to be sent direct to AMA—we are not intermediaries. You then receive the white sign-up card that speeds the process.

A Word from President Lance Butler (let's call it "Lance's Lunacy")—Board Positions for 2010

It's that time of year when the republic that is NMTA elects its leaders. As in every year anyone can run for any position. While each position has certain responsibilities, each member participates in the meetings and has a say in any decision.

Fancy trying your hand at stringing together clever sentences to entertain and inform your buddies? Then secretary is for you.

Perhaps fighting for our right to ride is your passion. Then permit coordinator is your game.

Enjoy counting beans? Then treasurer will complete your life.

Looking for an excuse to be there the day before every event? Clerk is the best excuse.

Feel like having your volunteer hours taken up with listening to people who don't volunteer tell you how you went wrong without even a simple thanks? Then being on the board will suite you well. J

On a serious note it looks like most board positions will be vacant for next year for some reason. Your club could use you. This is your chance to do something to help the club along and have a voice in our future. Lots of people have been on the board many times. If you have been a regular rider for a few years and haven't taken your turn maybe 2010 is your year. The current board has about 20 years of combined service so let's spread the load!

The election will be at the banquet in January, but we need to line people up so we know we are covered. The last time we didn't have anyone to run for president when the banquet started you ended up with me and we all know how that turned out. Shoot me an email or give me a call if you are interested. 505-205-2028

Below please find the definitions for each position.

President – Responsible for the overall club activities and events, representation of the NMTA at official functions, delegation of club responsibilities as needed, holding Board Meetings and updating the Manual and the Rulebook.

Secretary – Responsible for recording NMTA event results, scoring, series points total, minutes of NMTA meetings, and creation and transmission of NMTA Newsletters and information.

The Secretary announcing the next event will put out a monthly newsletter. It should be sent out at least one week in advance, noting the location (with map), starting time, Trials masters, requirements, (i.e. DOT helmets, spark-arrestors, AMA sanctioned), and other essential information. Results of the last event, schedules for future events, New Mexico State Championship Series Standings for the year, a commentary from the riders, bikes for sale, interviews and other information may also be included.

The secretary is also responsible for bringing the scoreboard to the events, collecting it after the event and cleaning it.

Treasurer – Responsible for the management of the NMTA account and all financial transactions of the club. The president, treasurer, and permit coordinator all have access to the NMTA account.

The treasurer also is responsible for obtaining and bringing the event awards, which consist of medals for first, second, and third (except for the Junior class which gets medals for each finisher) and mugs for the Trialsmasters. The treasurer will also obtain overall awards for first place overall at two-day events unless the Trialsmaster wishes to handle this.

In addition to the awards, the treasurer brings the cash box, with the proper change, to the event and collects it after sign-up.

Permit Coordinator – Responsible to apply to the various organizations or parties for permission to have a trials event at a given location. Submits and obtains the necessary paperwork before and after the event. Coordinates with these organizations and/or parties to ensure that their regulations are followed such as to promote a long-standing relationship for return events to the area. Responsible for training trialsmasters about sign-up and ensuring that all sign-up activities run smoothly and all documentation is properly filled out and returned to the proper people.

The Permit Coordinator will also be responsible for the Scorer Slack List. This list is used to find those riders who shirk their responsibility to score. The list is given to the Trialsmaster to force people to score or not ride. Exceptions will be made for parents with young riders up to and including Novice class. Parents with riders in Amateur or higher need to go back to scoring and let their children learn to ride.

Course Clerk/Referee – The Course Clerks, one for upper class and one for lower, are responsible to referee the loop and each section for safety, difficulty, consistency, and adequacy of marking, section technical details, and consistency with NMTA policies. The Course Clerks will use their best judgments to require essential changes to the loops and sections and will attempt to reach agreement on technical matters with event Trialsmasters.

Course Clerks may ride in an event they referee, but they are not to pre-ride the sections, "re-design" the trials, or micromanage the event. If unable to referee an event, the clerk(s) must designate an acceptable alternate(s). Course Clerks should verify any suggested changes with the Trialsmasters prior to the event.

The upper clerk has the added responsibility to setup the NMTA sign at the main turn off the highway for each event, and to retrieve it and store it after the event.

The lower clerk is responsible for obtaining and stocking all material necessary to set a trials including ribbon, splits, start plates, end plates, baggies, markers and staplers.
